The registration fee, administration costs, and, if applicable, any proportional expenses will be payable at the time of registration. il fiore healthcenters is entitled to use registration details for communication and marketing purposes.
- b. We offer various membership options. The details of which can be found on our website or at any of our clubs.
- c. Membership options are available for:
 1. 1 or 2 years fixed term, with an automatic renewal for an unlimited period at the corresponding rate with payment every 4 weeks.

 3. Flexible 4 week fixed term, with an automatic renewal for an unlimited period at the corresponding rate with payment every 4 weeks.
- d. Except for the flexible membership option, membership starts on the first of the month. If you become a Member during the current month, a prorated amount will be charged. Membership payment will then commence on the first of the following month.
- e. The membership is strictly personal and non-transferable.

ARTICLE 3 - PAYMENT TERMS

- a. Each membership form has its own membership rate and conditions, which can be found on the website or at the clubs.
- b. When you become a member, a membership fee is payable upon registration. The SEPA automated direct debit is effective upon the date of registration. All membership fees are payable and claimable in advance, pursuant to Art. 3c and 3d.
- c. If you opt for a yearly agreement with full payment in advance, payment for the first year will take place upon registration through online bank payment or debit/credit card payment at the front desk. Subsequent annual payments will be through SEPA automated direct debit. If the agreement is renewed for an unlimited period, it can be cancelled at any time in accordance with a notice period of one calendar month. In the event the agreement is terminated, if applicable, any overpaid membership fees will be reimbursed.
- d. If you opt for an agreement with payment every four weeks, the first payment will take place upon the date of registration via an online bank payment or debit /credit card at the front desk. Subsequent payments will take place every four weeks through SEPA automated direct debit at the rates set for that membership. Our direct debit period consists of four weeks, which enables us to execute 13 direct debits annually. Consequently, once per year, two direct debits take place in one calendar month.
- e. In the event that we cannot collect payment for whatever reason, to include insufficient account balance, we will send another request for collection to your bank. Should this second attempt fail, additional bank costs of €2.99 will be charged.

- g. il fiore healthcenters reserves the right to annually index/change the rates on 1 January to a maximum increase of 7%. Should il fiore healthcenters do so, this does not provide rights to dissolve the agreement. - h. If the Member does not make use of the options with respect to their selected membership offer, there will be no refund of the membership fee.
- i. You can upgrade a membership during the lifetime of the contract. Downgrading is possible only after the contract period.
